To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. Authorization for this examiner's amendment was given in a telephone interview with Anthony P. Bottino on October 24, 2005. The application has been amended as follows:

In claim 1, line 3, after "wherein", delete "the formula (A):"

In claim 1, line 18, after "wherein and", delete "R", and insert

--R<sub>3</sub>--

In claim 1, page 9, line 5, after "wherein R' ", delete "can be", and insert

### ***Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

Claims 1-3 are neither anticipated nor rendered obvious over the art of record, and therefore are allowable. This invention relates to preparation of aryl intermediates. The closest reference is Breitfelder et al. US 6,358,945, discloses compounds useful as anti-inflammatory agents. The difference between Breitfelder et al. and instant claims is that the instant processes are not found in Breitfelder et al. Suggestion for modification of above record to obtain the instant claimed processes has not been found. Claims 1-3 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
